Jenna Meyer

[VIEW AGENDA](#)

# Scope of the Benchmark Study

---

- **4<sup>th</sup> Annual Shield Banker Benchmark Study**
  - In-depth banker interviews
  - Data derived from Shield Assure
  - Confidential, anonymized results
- **34 financial institutions participated in interviews**
- **Data and survey results represent a nationwide perspective**

# Scope of the Benchmark Study

---

- The new industry codes offered further insights from Assure
- New data included in the 2025 Benchmark Study covers
  - Hemp
  - Money Services Businesses (MSB)
- In certain instances, MSB metrics are limited due to the monitoring period

# Scope of the Benchmark Study

---

- Data from FIs that provide banking to hemp and cannabis licensees in 47 states, DC, and PR
- Study covers:
  - 5,899 depository relationships (MRB & Hemp)
  - 2,746 non-depository relationships
- Deposit taking portfolio sizes range from less than 10 MRBs to over 1,500
- Average portfolio size is 231 MRBs

# Key Portfolio Metrics

| PORTFOLIO                 | Deposit Balances | Loan Balances | Entity Count <sup>1</sup> | Average Daily Balance | Average Monthly Fees |
|---------------------------|------------------|---------------|---------------------------|-----------------------|----------------------|
| Cannabis                  | \$1,321,277,162  | \$324,886,111 | 6,682                     | \$228,041             | \$621                |
| Hemp                      | \$17,154,693     | <\$10,000     | 131                       | \$155,153             | \$416                |
| Money Services Businesses | \$19,030,239     | \$200,757     | 115                       | \$64,617              | Not Available        |

<sup>1</sup> Includes depositors and borrowers

# CRB Program Maturity

| Survey Participants                             |      |
|-------------------------------------------------|------|
| Average Launch Date of Cannabis Banking Program | 2020 |
| Oldest Program Started                          | 2013 |
